

Fundraisers Working Together Day at the Justlife Hub!

- Do you work at home on your own?
- Are you a sole fundraiser in a local homeless charity?
- Do you work remotely for a national homeless charity?
- Do you just fancy a change of scene for a day?
- Do you want to work in the company of other fundraisers?

We're hosting a Working Together Day on Tuesday 30th April 9am-5pm.

We'll provide the space, WiFi and a cuppa. Come with your laptop and your lunch. We'll eat together to make sure we all take a break and can share intelligence about upcoming funding opportunities, chat about challenges and successes or just have a moan if that's what you need!

Let me know if you fancy joining us, I will be sure to get enough biscuits! I'll need to cap at 20 people I think, on the off chance we're overwhelmed with takers! The space is fully accessible but do get in touch if you have any questions about this.

Taking place in Justlife Cafe Area, 136-137 London Rd, Brighton BN1 4JH.
